

# PEDIGREE Foundation Awards Grant to Animal Rescue, Inc.'s Senior Dog Rescue Program

December 2018

We are so excited to announce that the PEDIGREE Foundation has awarded a Program Development Grant to Animal Rescue, Inc. in the amount of \$9,792.00 for our Senior Dog Rescue Program!

With hundreds of homeless dogs and cats already relying on our Sanctuary for Life for their day-to-day care and veterinary treatment while they await their new forever homes, we are limited as to how many new animals we can afford to aid, especially at-risk older dogs whose rescues can be extremely costly.

Last year, the PEDIGREE Foundation generously awarded a grant to our organization to help us reach more senior dogs age seven and over with life-saving medical care than our budget would allow. This year's PEDIGREE Foundation grant will be used to provide at-risk senior dogs with dentals, spay/neuter surgeries, medical baths, and microchipping, as well as a variety of routine and emergency veterinary care to make their rescues possible.

Special thanks to everyone at the PEDIGREE Foundation for your most generous support of our efforts to increase the adoptions of these great senior dogs!

About the PEDIGREE® Foundation.

Formed in 2008 by the makers of PEDIGREE® food for dogs, the PEDIGREE® Foundation is an independent 501(c)3 non-profit organization dedicated to helping dogs in need find loving homes by supporting the good work of shelters and dog rescue organizations throughout the country. Through no fault of their own, more than 3.4 million dogs end up in shelters and rescue organizations every year, and nearly half of them never find a place to call home.
